Financial Information 2011-2012

Tuition

Tuition rates are established with the primary goal of keeping Christian Education as affordable as possible. Faith Christian Academy has managed to keep the same rates for over five years. This year we have seen the need to raise our rates minimally to keep up with the needs of our school. We still offer you many ways to save on your tuition as seen below.

Tuition can be paid in three ways:

- 1) Full annual payment (10% discount)
- 2) 1/2 year each semester (5% discount)
- 3) 10 month payment plan

Enrollment Fees

- 1) Early registration fee is \$125 prior to July 1; thereafter, it is \$150 per student.
- 2) New student Admissions Testing fee is \$15, payable at the time of testing.
- 3) Book fees vary by grade level. Fees must be paid by the first day of school.

General Information

1. Any check returned by the bank to our office will result in a charge of \$35.
2. Students withdrawing from school are responsible for the tuition as outlined in the student handbook and application.
3. Should a family encounter financial difficulty. Contact us. It is our desire to work with you and for you.
4. Grades and transcripts will not be posted, or in the case of withdrawal, mailed unless accounts are current.
5. Faith Christian Academy is a ministry of Faith Baptist Church created to minister to the region of the Rio Grande Valley.
6. Families who desire not to participate in the primary school fundraiser may choose to pay a fundraising fee as specified by the ministry. Active participation will result in the fee being waived. Further information on the fundraising fee is available from the office.
